

Product Description

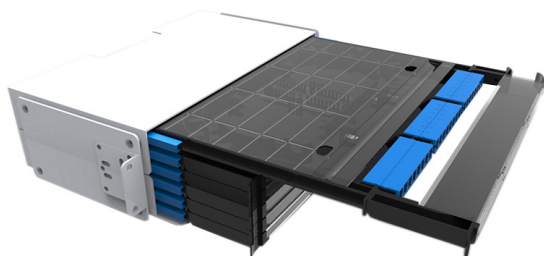

BCP® designs and manufactures unique and robust patch panels. Our patch panels use various technologies for easy access and organisation: these include pivots, sliding on rail and easy sliding. Many of our panels are modular, to further aid the user.

Features & Benefits

- Easily slides in and out
- 216 FO
- Recessed adaptors for improved fibre management
- No exposed screws
- Built-in strength member tie positions
- High quality finish
- Modular design for easy organisation – modular cassettes

Applications

- Data and server racks
- FTTx
- Telecommunications

Technical Specifications

Adapter Types	SC, LC
Adapter Quantity Per Tray	24 x SC SX / 36 x LC DX per tray
Height	2U
SC Capacity	144
LC Capacity	216
Tray Quantity	6
Width	21"
Depth	280mm

Ordering Information

Use combinations of **bold** letters and numbers to create part numbers for ordering.
