

Product Description

BCP® designs and manufactures unique and robust patch panels. Our patch panels use various technologies for easy access and organisation: these include pivots, sliding on rail and easy sliding. Many of our panels are modular, to further aid the user.

Features & Benefits

- Recessed adaptors for improved fibre management
- No exposed screws
- Built-in strength member tie positions
- High quality finish
- LGX

Applications

- Data and server racks
- FTTx
- Telecommunications

Technical Specifications

Height	3U			
Adapter Type	LC Duplex			
Dimensions	485×132×23mm			
Cassette/Plate	Various Options			
Quantity	12	12	8	12
Total Fibre Count	12	24	36	12/24
Max Ports	288
